

Our Ref: RES.9516

7 August 2025

Dear Resident,

**BUSHFIRE MITIGATION WORKS 2025-2026
UPDATE FOR RESIDENTS NEAR, AND FRIENDS OF,
RESERVE 9516 (BEGA STREET X BURTON ROAD)**

Further to our mailed letter, dated 14 July 2025, advising of planned bushfire mitigation works across a number of locations throughout the shire, funded through the State Government's Mitigation Activity Funds Grant Program (MAFGP), we are writing to provide an update specific to your area.

Works in Reserve 9516, on the corner of Bega Street and Burton Road, Darlington are scheduled to be undertaken in September (with follow-ups in January and April), weather and ground conditions permitting.

Scope of Works

The planned works include:

- Spring chemical treatment of all weeds (primarily Watsonia) present within 10m of the north-western, western and south-western boundaries, as marked on the map (see overleaf).
- Summer and Autumn treatments will focus on the presence, and manual removal of, of dead Watsonia and woody weeds across the site.

We appreciate your understanding and cooperation while this important work is carried out. If you have any questions or would like further information, please don't hesitate to contact us using the details below.
