

# CONTRACTORS 2024

The Shire of Mundaring does not recommend or endorse individual contractors and only provides this list as an information-only service to the community.

## Contractors Responsibility

- To ensure they have the appropriate insurance, training, personal protective equipment and machinery suitably designed for the relevant work and operated in a safe manner.

## Land Owners Responsibility

- To ensure that firebreaks are installed by 1 November each year.
- **Ensure that the contractor installs firebreaks to the Shire of Mundaring's requirements.**
